

# INTERNATIONAL INVENTION, INNOVATION & DESIGN COMPETITION (i3DC) 2024

*"Sustainable TVET Initiative Through Innovation"*

Greetings and best wishes from

**Kolej Vokasional Tanah Merah**

Invention, Innovation and Design Competition (I3DC) 2024 organised by Kolej Vokasional Tanah Merah and cooperation with UiTM Cawangan Kelantan and Digit360 Sdn. Bhd. The focus of I3DC is aligned with the new National Policy on Science, Technology & Innovation (NPSTI) describes an agenda to advance Malaysia towards a more competitive and competent nation built upon strong STI foundations.

With this year's theme "Invention, Innovation, & Design for Educational Sustainability" aims to showcase investable social innovations that will benefit the society and impact the community and nation.
